## CONTEST WINNERS

Introduction to Business classes competed in the annual **Entrepreneurship Contest** in December. Students applied their economic, business, and 21st century skills to prepare a Business Model for a start-up company. Sharks (judges acting as potential investors) came in to help assess the students and provide insight and feedback. Winners are below...

**Stephanie Elkins**, an OOHS Senior Marketing student, has earned a position as the **Ohio DECA Public Relations Officer!** This is a state wide position that she has worked very hard to earn. She had to write a press release, present a one minute self introduction, take a 50 question test and go through an interview. She competed against approximately 30 other students from around the state and represented Orange High and the state of Ohio at the DECA Central Region Leadership Conference December 6-8 in Milwaukee, Wisconsin.

Stephanie will attend DECA nationals in Atlanta, Georgia May 2-7.
